ABOUT US

Maharana Institute of Technology & Science (MITS) is a premier educational institution located in the heart of **Lucknow**, dedicated to shaping the future of aspiring students through academic excellence, innovation, and holistic development. Named in honour of the legendary warrior Maharana Pratap, MITS stands as a symbol of courage, resilience, and unwavering determination—values that are deeply embedded in our educational philosophy.

Established with the vision of bridging the gap between academic learning and industry requirements, MITS offers a diverse range of undergraduate and postgraduate programs in engineering, technology, management, and applied sciences. Our goal is to equip students with the knowledge, skills, and mindset needed to thrive in a dynamic and competitive global environment. At MITS, we believe that true education goes beyond textbooks. Our pedagogy combines rigorous academic training with real-world exposure, fostering innovation, critical thinking, and problem-solving capabilities. With a team of experienced faculty, state-of-the-art laboratories, modern classrooms, and strong industry linkages, we provide a learning experience that is both enriching and empowering.

The lush and serene campus of MITS is more than just a place to study—it's a vibrant community where creativity is encouraged, talents are nurtured, and leadership is developed. We emphasize the overall development of our students through various activities, including entrepreneurship training, soft skill workshops, technical fests, and community engagement programs.

Our mission is not just to prepare students for jobs but to help them build meaningful and fulfilling careers. With a strong focus on innovation, ethics, and social responsibility, we aim to develop future leaders who are capable of making a positive impact in their professions and society at large.

MITS is not just an institution; it is a platform where ambition meets opportunity, and where every student is inspired to dream big, work hard, and rise above challenges.

ABOUT US

Maharana Pratap School of Pharmacy (MPSP) is a leading institution committed to providing quality pharmaceutical education and fostering academic excellence, professional competence, and ethical values among students. The institution offers both **Bachelor of Pharmacy (B.Pharm)** and **Diploma in Pharmacy (D.Pharm)** programs designed to prepare students for successful careers in the pharmaceutical, healthcare, and research sectors. With a strong focus on holistic development, the college combines rigorous academic instruction with practical training to ensure that students gain a thorough understanding of pharmaceutical sciences and their applications in real-world healthcare settings. The institute is equipped with modern infrastructure, advanced laboratories, and a comprehensive library that supports effective learning, research, and innovation. Well-equipped laboratories in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Human Anatomy and Physiology, Pharmaceutical Analysis, Microbiology, and Instrumentation provide students with hands-on experience and help bridge the gap between theoretical knowledge and professional practice. The library serves as a valuable knowledge resource center, housing a rich collection of textbooks, reference materials, journals, research publications, and digital resources that cater to the academic and research needs of students and faculty members. Guided by experienced and dedicated educators, the institution strives to create a learning environment that encourages critical thinking, scientific inquiry, leadership, and lifelong learning. Maharana Pratap School of Pharmacy is dedicated to producing skilled, responsible, and compassionate pharmacy professionals who can contribute effectively to the healthcare system, pharmaceutical industry, research organizations, and society at large. Through its commitment to quality education, practical exposure, and continuous innovation, the institution aims to empower students with the knowledge, skills, and confidence required to excel in the ever-evolving field of pharmacy.

CHAIRMAN'S MESSAGE

Dear Students, Parents, and Well-Wishers,

It is with immense pride and joy that I extend my heartfelt greetings to all of you.

Since its inception in 1995, MPG has remained steadfast in its commitment to nurturing talent, fostering innovation, and shaping future leaders in the fields of school and higher education. What began as a humble initiative has grown into a beacon of knowledge, providing diverse opportunities in management, technology, medical sciences, pharmacy, and communications. Our journey over the years has been both challenging and rewarding. With each passing year, we have scaled new heights and expanded our horizons to cities like Lucknow and Jaipur. This growth has been made possible by the unwavering dedication of our faculty, the trust of our students and their families, and the support of our community.

At MPG, we believe education is not just about academics; it's about empowering individuals to realize their dreams. We recognize the aspirations you bring with you, and we consider it our paramount responsibility to work hand-in-hand with you to transform these dreams into reality. We are equally committed to our social responsibilities, ensuring that we contribute positively to the community and society at large.

As we look to the future, we reaffirm our pledge to uphold the highest standards of education, innovation, and service. Let us continue this journey together, building a brighter tomorrow for all.

Warm regards,

Shri. Shailendra Bhadauria

Chairman

Maharana Pratap Group

| DIRECTOR'S MESSAGE

**Dear Students, Parents, and Stakeholders,
Greetings!**

It gives me great pleasure to welcome you to Maharana Pratap Group (MPG). With over 30 Years of excellence in education and the support of a trust with over 30 years of educational experience, MITS is dedicated to providing quality education and fostering all-round development.

At MPG, we strive to prepare students for successful careers through academic excellence practical learning, and industry-oriented programs. Our B.Tech, MBA, B.Pharm and D.Pharm programs are designed to develop technical expertise, leadership skills, innovation, and entrepreneurship.

We encourage our students to think creatively, embrace new challenges, and contribute positively to society. Through modern teaching methods, workshops, mentorship, and industry exposure, we help students achieve their full potential.

As we move forward, we remain committed to our core values of excellence, innovation, and integrity. We thank our students, parents, and stakeholders for their continued trust and support.

We look forward to shaping future leaders and creating many more success stories together.

**Warm Regards,
Dr. Preeti Mishra
